HELP US CELEBRATE THE 167th BEAVERTON FALL FAIR "From Pioneer Days to Modern Ways"

The 167th Edition of the Beaverton Agricultural Society Fall Fair will be held September 18th & 19th, 2020 and once again we would like to ask for your support in making this year's Fall Fair a success by seeking a donation from you. Donations may be in the form of cheques or services that you could provide. The Beaverton Agricultural Society is a registered charitable organization and charitable donation receipts will be issued upon request.

To show our appreciation for your generous donation we will include your business or organization's name and phone number in our Fair book as well as on the sponsor page of our website (www.beavertonfallfair.ca), on our Facebook page or tagged on our new Instagram page. For further exposure and recognition please send us your website and we'll link it to our website. When completing your return to us, please verify that your name as stated on the letter is how you wish it to appear.

We are continuing our tradition to be as green as possible at the fair this year and we would like to be able to communicate with our sponsors by email. If you would like to receive future correspondence from the fair via email, please forward your email address to us along with your donation or email us at fun@beavertonfallfair.ca.
